The Wheat Yield Tells the Story

of Western Canada's Rapid Progress

The heavy crops in Western Canada have caused
new records to be made in the handling of grains
by railroads. For, while the movement of these
heavy shipments has been wonderfully rapid, the
resources of the different roads, despite enlarged
equipments and increased facilities, have been
strained as never before, and previous records
have thus been broken in all directions.

The largest Canadian wheat shipments through New York ever known
are reported for the period up to October 15th, upwards of four and a
quarter million bushels being exported in less than six weeks,
and this was but the overflow of shipments to Montreal, through which
point shipments were much larger than to New York.

Yields as high as 60 bushels of wheat per acre are reported from all
parts of the country; while yields of 45 bushels per acre are common.

Thousands of American farmers have taken part in this wonderful pro-
duction. Land prices are still low and free homestead lands are easily secured
in good localities, convenient to churches, schools, markets, railways, etc.

There is no war tax on land and no conscription.

Temperance

(Conducted by the National Woman's
Christian Temperance Union.)

NO USE FOR IT IN FIVE YEARS.

A leading banker of Wisconsin
vouches for the following incident:

Within the past year the managers
of a brewery in one of the smaller
cities of the state decided to build a
new malt house at a cost of \$25,000.
They commissioned their president to
go to Milwaukee and effect a loan.
He naturally went to one of the big
brewery-controlled banks of that city.
The vice-president to whom he applied
for the loan, was formerly in the brew-
ing business and had made a hand-
some fortune in that business during
the palmy days before the dregs had
begun to knock the big profits out of
it. He very wisely got out of the busi-
ness when the getting was good, ne-
as now, when brewing stocks are all
shot to pieces.

To the utter surprise and chagrin
of the out-of-town brewer he was
promptly refused the loan. He ex-
claimed: "What's the matter? With
all this fine property we got, ain't we
good for \$25,000?"

Quick came the answer from the ex-
brewer-banker: "But what do you
want to use the \$25,000 for?"

"To build a malt house, so we can
enlarge our business," said the brewer.

"But, you fool, don't you know that
in five years you will have no use
whatever for a malt house?" replied
the banker.

CAMPAIGN PLANS.

As part of the campaign program for
the year the National W. C. T. U. has
adopted the following: Increased ac-
tivity of the Young People's branch in
all lines of campaign work; the Loyal
Temperance legion (children's branch)
to have part in public meetings, dem-
onstrations and parades; campaign in-
stitutes to be held in the interests of
national constitutional prohibition at
state capitals, also county institutes at
county seats, for the education and in-
spiration of temperance workers and
the general public; special campaign
material furnished the newspapers by
the W. C. T. U. bureau of publicity;
parades, street meetings, medal con-
tests, rallies and other public demon-
strations to be held frequently, secur-
ing the co-operation of Sunday schools;
circulation of the Sunday school peti-
tion for national constitutional prohi-
bition to be urged; the relation of
woman's ballot to the destruction of
the liquor traffic emphasized; the use
of posters and poster parades recom-
mended. July 4 and October 12 desig-
nated as National Poster days; W. C.
T. U. speakers to present in public ad-
dresses the status of and reasons for
national constitutional prohibition and
secure the indorsement of the joint
resolution for it.

PLACARDS IN DRY PARADE.

"A beet joint beats a booze joint."

"The path of misery leads from the
saloon door."

"You can't buy dry goods with
money spent for wet goods."

"The cause of drunkenness is li-
cense; the cure is total abstinence."

"One home in four must furnish a
boy for the saloon. What about your
boy?"

"Chicago knows enough to come in
out of the wet."

"We'll make the water wagon our
fitney bus."

"A dry Chicago means a clean Chi-
cago."

"Who gets your next pay envelope?"

"The saloon is the poor man's club
that kicks him out after he has paid
his dues."

"Nineteen dry states. Come on in,
Illinois! The water's fine."

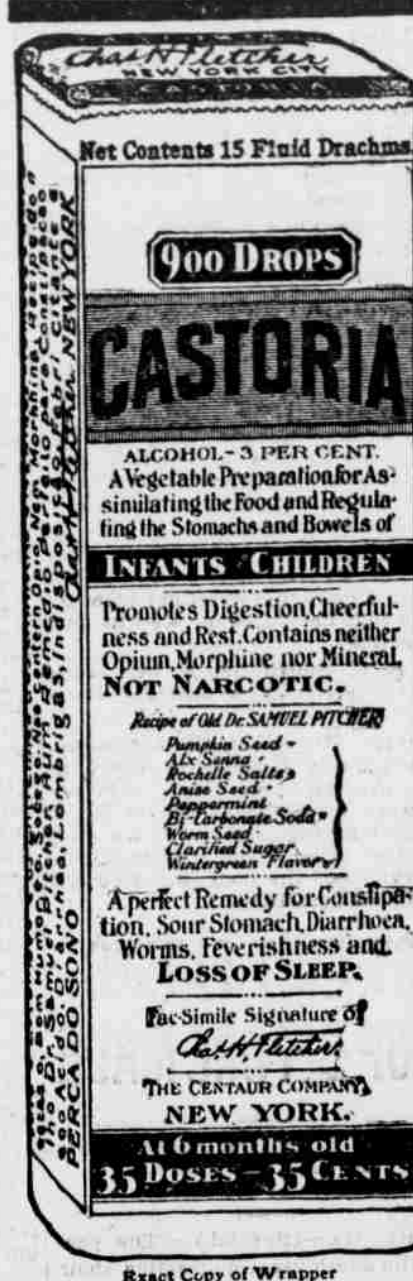

"The last to be hired, the first to be
fired—the booze."

"Nothing to drink Sunday; clear
head Monday."

"When you down booze, that is per-
sonal liberty; when booze downs you,
that is slavery."

ADVICE TO UNCLE SAM.

There is a certain queer old book
which was printed in England more
than a hundred years ago called, "The
Pleasant Art of Money-Latching." It
contains this good advice: "First see
that your comings-in be more than
your layings-out." Suppose a man
were taking ten thousand dollars a
year over the counter of his store.
That might seem big to him. But if
he had to pay ten thousand and one
dollars for stock and rent and help
and fire, he would not be prospering,
but failing. Uncle Sam does get a
great deal of money from the liquor
traffic. But he and we spend a very
great deal more in caring for its vic-
tims. So this is bad business, and
when enough people have found it out
the liquor traffic will go. They are
finding it out very fast. Everybody
who has studied arithmetic can figure
out the reason for national prohibi-
tion. It is a matter of dollars and
cents.—Christine Tinsling.

PROVEN SWAMP-ROOT AIDS WEAK KIDNEYS

The symptoms of kidney and bladder
troubles are often very distressing and
leave the system in a run-down condition.
The kidneys seem to suffer most, as al-
most every victim complains of lame back
and urinary troubles which should not be
neglected, as these danger signals often
lead to dangerous kidney troubles.

Dr. Kilmer's Swamp-Root which soon
heals and strengthens the kidneys is a
splendid kidney, liver and bladder remedy,
and, being an herbal compound, has a gen-
tle healing effect on the kidneys, which is
almost immediately noticed in most cases
by those who use it.

A trial will convince anyone who may
be in need of it. Better get a bottle from
your nearest drug store, and start treat-
ment at once.

However, if you wish first to test this
great preparation send ten cents to Dr.
Kilmer & Co., Binghamton, N. Y., for a
sample bottle. When writing be sure and
mention this paper.—Adv.

WHY "ANURIC" IS AN INSURANCE AGAINST SUDDEN DEATH!

Sufferers from Backache, Rheumatism and Kidney Trouble

Before an Insurance Company will
take a risk on your life the examining
physician will test the urine and re-
port whether you are a good risk.
When your kidneys get sluggish and
clog, you suffer from backache, sick-
headache, dizzy spells, or the twinges
and pains of lumbago, rheumatism and
gout. The urine is often cloudy, full
of sediment, channels often get sore
and sleep is disturbed two or three
times a night. This is the time you
should consult some physician of wide
experience—such as Dr. Pierce, of the
Invalids' Hotel and Surgical Institute,
Buffalo, N. Y. Send him 10 cents for
sample package of his new discovery—
"Anuric." Write him your symptoms
and send a sample of urine for test.

Experience has taught Dr. Pierce that
"Anuric" is the most powerful agent
in dissolving uric acid, as hot water
melts sugar; besides being absolutely
harmless it is endowed with other
properties, for it preserves the kid-
neys in a healthy condition by thor-
oughly cleansing them. Checks the de-
generation of the blood-vessels, as well
as regulating blood pressure. "Anuric"
is a regular insurance and life-saver
for all big meat eaters and those who
deposit lime-salts in their joints. Ask
the druggist for "Anuric" put up by Dr.
Pierce, in 50-cent packages.
Dr. Pierce's Favorite Prescription
makes weak women strong, sick
women well. No alcohol. Sold in
tablets or liquid.

Men learn more as they grow older,
but it is of less importance.
